Proposed Rule
<i>Proposed wording under Definitions (page 5 of the 2024 Rule Book)</i>
Remote Tracks: Alice Springs Karting Club, Top End Dirt Karts and Weipa Kart Club

Clearly explain the new rule/changes requested.

Propose deleting Desert Dirt Kart Club from the definition of Remote Tracks. Under Rule 2.5 a remote track is referred to as having no club within 500kms. This has also been the understanding of what a remote track is.

Desert Dirt does have another track within 500kms therefore the definition contradicts rule 2.5.

Please note we have consulted with Desert Dirt Kart Club on this matter. They have advised they are in agreeance and happy for the rule change to be submitted.

Are there any cost implication of this proposal?		No
If yes, what are they?	.
