RCP RECOMMENDATIONS

Current Rule Wording (if an existing rule)

Proposed Rule
14.31 a. All drivers are to remain seated in or on their kart (i.e. in their seat, atop the back of their seat, or on one of their side pods or tyres) until all clear for that race has been given by the Ingrid Marshall. This rule to be compulsory for all title events and optional for club events and its implementation to be announced at driver's briefing prior to the commencement of racing.

Clearly explain the new rule/changes requested.

Above process was trialled at SA State Titles at Loxton May 2024 and proved successful in reducing the amount of interaction, which at times can be confrontational, between drivers at the completion of a race. Added benefit of making the job of the Ingrid Marshall easier in locating drivers after a race.

What situation/event/scenario has created this proposed rule change

Unsavory behaviour by drivers on the Ingrid at previous title events, resulting in verbal exchanges which have had the potential to develop into ugly, physical skirmishes.
